

IOWA

IRRIGATION CORPORATION

Why do so many builders and homeowners choose Iowa Irrigation?

CENTRAL IOWA'S ONLY IA CERTIFIED IRRIGATION CONTRACTOR

The Irrigation Association is the world's premier organization representing professional irrigation contractors. The mission of the IA is to improve water resource knowledge and efficient irrigation practices. The IA certification program provides an avenue for qualified irrigation professionals to demonstrate their experience and technical competence. Certified individuals have made a commitment to professionalism in the industry, subscribing to a Code of Ethics.

VOTED BEST IRRIGATION CONTRACTOR OF STORY COUNTY

In 2004, the first year for this category, we had the honor of being voted Story County's Best Irrigation Contractor by our customers. For nearly 20 years we have been setting the standard for irrigation contractors in central Iowa. Some of the best and biggest builders in the area rely on us because they know they'll get a top quality product and a company that'll be around to back up their work.

TORO PROFESSIONAL CONTRACTOR

A Toro Professional Contractor is a member of an extremely exclusive segment of the irrigation industry. Toro, the leader in outdoor beautification products for over 90 years, has created the Toro Professional Contractor Program to distinguish outstanding contractors that are among the best in the industry. Be assured that a Toro Professional Contractor is among the most skilled and highly regarded that the irrigation industry has to offer industry.

HUNTER PREFERRED CONTRACTOR

Hunter Industries is among the world's leading manufacturers of irrigation equipment, providing some of the best performing and most reliable products available. As a Hunter Preferred Contractor, Iowa Irrigation Corp. has demonstrated expertise in system design hydraulics, proper sprinkler system layout, and proper sprinkler system installation procedures. When you use a Hunter Preferred Contractor you can be sure you're getting a water efficient sprinkler system that will provide years of trouble free operation, add value to your home, and maximize the beauty of your landscape.
